About

The North Carolina Digital Heritage Center is a statewide digitization and digital publishing program housed in the North Carolina Collection at the University of North Carolina at Chapel Hill. The Digital Heritage Center works with cultural heritage institutions across North Carolina to digitize and publish historic materials online.

Items grouped into collections

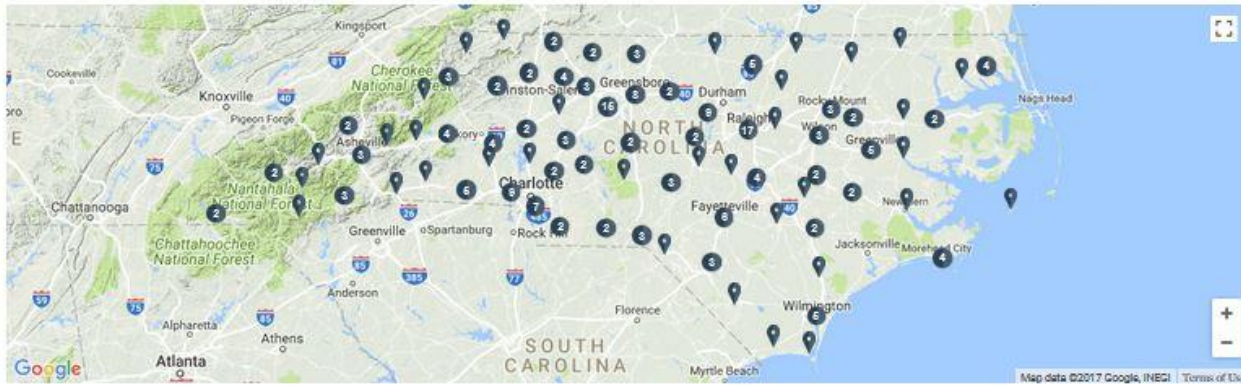

Each collection has a “landing page” for searching, browsing.

The screenshot shows the DigitalNC website homepage. At the top left is the DigitalNC logo. The navigation menu includes 'About', 'Browse', 'Contributors', 'Counties', and 'Blog'. A search bar labeled 'Quick Search' is on the right. A central banner features a collage of historical images: a 'TTEVILLIAN 68' sign, two children in checkered dresses, a quilt, a tractor, a handwritten letter, a 'Greetings from WILSON N.C.' postcard, and a group of people in a field. A dropdown menu is open over the 'Browse' link, listing 'Yearbooks', 'Newspapers', 'Images', 'Memorabilia', 'City Directories', 'Audiovisual', and 'All Collections & Exhibits'. Below the banner is the text 'Explore original materials from 188 libraries, museums, and archives across North Carolina.' and a red button labeled 'Browse Collections and Exhibits'.
